### **Guidelines for E-Poster session:**

1. The slide should contain the logo of ISA apart from their institutional logo. No other logo is allowed to include in the slides.
2. Presentation should include in the prescribed format for that category such as introduction, methods, results, discussion, conclusion and references.
3. Presentation should be restricted to 5 min only. Further 2 minutes is fixed for assessing and questioning by the judges.
4. Time limit should be followed strictly.
5. Size of the E-Poster
  - The format/size of the E-Posters should be in PowerPoint, Landscape, one slide only, which should be in 16:9 ratio.
  - To be of value, your E-Poster should not be too cluttered. It should be set out in a clear and logical manner, with reading matter reduced to an essential minimum.
  - Lettering, including figure legends, labelling, symbols & graphs etc, should be large enough to be legible when viewed on a 50" screen. Ordinary type-face is NOT adequate.
  - Drawings, diagrams and photos are extremely helpful and often necessary to display results and conclusions.
  - Make sure that your illustrations are easy to understand; do not overload any chart or drawing with information.
  - Recommended Font Sizes and Styles:
  - You should use dark text colours on a light background, or vice versa. Recommended fonts are Calibri, Verdana and Arial, as these are easy to read and It's possible that other fonts may have cross-operating system display issues.
  - Title: 50 – 60 pt (font size), although if you have a long title, you may find a need to use a slightly smaller font size.
  - Authors and institutions: 30 – 36 pt. Main text: 32 – 36 pt, although 28 pt or even 24 pt could be used in isolated areas, or if you have a very large amount of text.
  - References / Bibliography: 24 – 32 pt.
  - Videos & animations are not allowed in your E-Poster.
